Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Referring to Claims 1, 8, 13 the prior art of record fails to show a lighting device wherein the rays emitted by the light source are partially reflected on the at least one reflector directly toward the light guide and partially reflected on the reflector so as to pass through the light guide before impinging on the lens, so that the rays passing through the light guide provide a band-shaped or rod-shaped light area.

Claims 2-7, 9-12 are allowed as claims depended on claim 1.

Claim 14 is allowed as claims depended on claim 13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
